

5th Grade Summer Reading Guide

Dear Parents and Students,

Welcome to the 2024 Summer Reading Guide for 5th Grade. Here you will find a list of the book choices for English. You will also locate instructions and expectations for the activities/projects we would like students to complete for the beginning of the 2024/25 school year.

Please acquire your summer reading choices on your own, from wherever you like, at whatever price point you like (new or used, purchased or borrowed from a friend or the public library), in whatever medium you like (traditional paperback, online, e-book, Kindle, or audiobook). Unless a particular edition or translation is indicated, any copy will suffice. We hope you are able to find something that fascinates you in some way.

Initiated by the English Department in 1975, required summer reading has long been a tradition at The Prairie School. The department believes that reading and learning should end neither in June nor with the curriculum, and strongly encourages students to take advantage of the time to read literature of their choosing – even above and beyond what we ask them to read for school. No matter the grade, required and independent reading helps students practice and improve their reading, writing, and critical thinking skills. It also provides a common reading experience among students in the same class and enhances future classroom activities.

Have a wonderful summer of reading!

Sincerely,

Susan Holum
Primary School Head

SUMMER READING TIPS

Do Your Best To...

-  • Purchase or borrow copies of the two books you decide to read well ahead of time.
-  • Keep the books where you'll see them to remind you to read.
-  • Intentionally plan a week or two to focus on one summer reading book.
-  • Set a regular reading schedule, like after dinner for 30 minutes.
-  • Find a comfortable place to read each time.
-  • Use a bookmark to mark your progress.
-  • Read the assignment description and directions *before* reading, so you can be on the look out for things to help you complete the assignment.
-  • Write on sticky notes or in the margins (*if you own the book!*) as you read.
-  • Complete the assignment on one of the two books.
-  • Email [Mr. Pearson](#) if you have questions

Try Not To...

-  • Read the book as fast as you can just to get it done; give your brain time to think about the what you're reading.
-  • Read the whole book in one sitting or one day; your body, eyes, and brain need breaks, too.
-  • Wait to read the books until the week before school starts because you may have less time than you realize.
-  • Wait to complete the assignment until the last week of summer vacation.
-  • Be distracted by TV or music with lyrics while you read.
