

## 2024 Upper School Athletic Registration Information

### Registration

Registrations for fall sports are now open. Fall sports registrations are due by **9:00AM on Monday, August 5th**. Failure to meet the deadline will delay your family's ability to receive team communication and may delay the start of your child's season.

All athletes and managers must register through the [Athletic Registration](#) (AR) portal, a fully automated, secure online login system. Logins and passwords may be retrieved 24/7. Please note, it is unlawful for a student to register himself/herself and electronically sign for a parent.

- **Returning athletes and managers:** Login to AR and navigate to your Family Athletic Account (FAA), used for all students in your household. Review and update any information that has changed since the last school year.
- **New athletes and managers:** If you do not have a Family Athletic Account (FAA), you must create one using your athlete's 5-digit Student ID. Student IDs are located on the PowerSchool parent portal — navigate to the "Grades & Attendance" page and look to the right of your child's name. You may also call the US or [Jason Atanasoff](#), Athletic Director, in the Athletic Office for help retrieving your student's ID number. Once you have created your FAA, add the 5-digit Student ID for each child who plans to play a sport.

The following information is required to register all athletes for US sports:

- Contact information for parents/guardians and emergency/alternate contacts
- Student Prairie School email address (do not enter a parent or personal email address)
- Student cell phone number (if your child does not have a cell phone, leave this space blank)
- Medical information, including health insurance information, a list of prescriptions and the date of your child's most recent physical exam (see below)

The WIAA, the State of Wisconsin, and The Prairie School require all US athletes and at least one parent/guardian to complete preseason education prior to participation each season.

An informational document will be provided to you on **Monday, August 5th** from the Prairie Athletic Department. The document will cover WIAA rules and regulations, the TPS Athletic Code, athletic injuries/concussions, nutrition, as well as team-specific expectations, rules, and responsibilities. After reviewing the document you will be prompted to complete the mandatory quiz.

### Physical Exams

All students registering for US athletics must file **two** current health forms before the first practice, and will be ineligible to participate in practice or competition until they are submitted. Physical exams must be dated on or after **April 1st, 2023** to be considered valid. Please file all forms electronically on the AR portal and retain the original for your records.

1. **WIAA Medical Eligibility Form:** This form is required for all first-time athletes, students who are new to Prairie, and rising freshmen. If your child is due to file a WIAA Medical Eligibility Form, [click here](#) to print the downloadable form.
2. **Prairie's Health Physical Form:** A TPS [Health Physical Form](#) must be filed electronically on the AR portal or emailed to [Kayla Zeno](#), Assistant Athletic Director for Sports Information and Events.

Returning athletes may check the date on their existing forms on the AR portal, by clicking on "View My Account," followed by "Returning Users."

## Fall Start Dates

### First Practice by Sport (Dates are subject to change)

Start Date	Sport	Head Coach
Mon., August 19th	Cross Country	<a href="#">Jim Larsen</a>
Mon., August 19th	Girls' Volleyball	<a href="#">Melissa Mason</a>
Mon., August 19th	Boys' Volleyball (co-op with SC)	<a href="#">Carlos Perez</a>
